Dear Pet Owner:

We are pleased to provide the information you requested about our Free Spay/Neuter Service for dogs and cats through the DAS Charitable Fund and participating veterinarians. Our objective is to make these services available to qualified pet owners and reduce the number of unwanted cats and dogs in Lake County.

To make the best use of our limited resources and for this program to be successful, the following conditions must be met:

- ✓ You must be a Lake County resident.
- ✓ You must provide household income and dependent information to determine eligibility.
- ✓ Only pets under five (5) years of age are eligible for the free service.
- ✓ Limit one animal per household per year.
- ✓ Your pet must have a current rabies vaccination and rabies tag prior to or at the time of surgery. If your pet is not current, you may contact our office to inquire about reduced rate vaccinations.
- ✓ When your pet's application is approved, a voucher with an imprinted seal will be mailed to you. This voucher must accompany your pet when it is taken to a participating veterinarian from the list included in the packet with your voucher.
- ✓ The voucher will be valid for forty-five (45) days and will note an expiration date.
- ✓ When you receive your pet's voucher, you may call your choice of veterinarians from the list. Identify yourself as a participant of the Spay/Neuter Program, **ask if there are any pre or post surgical costs** and, if you are satisfied with the arrangements, make an appointment.
- ✓ Every attempt has been made with participating veterinarians to make sure all fees are covered through this program. Some veterinarians, however, may require owners to pay for their pet's pre or post surgical expenses.
- ✓ The list of participating veterinarians is not an endorsement of one particular veterinarian or of the entire list. The Lake County Health Department accepts no responsibility for the quality of veterinary services rendered in this program.
- ✓ The generosity of the DAS Charitable Fund and participating veterinarians make these services possible. Please make every effort to keep your appointment.
- ✓ We reserve the right to drop pet owners from the program for failing to keep appointments or other abuses.

If you have additional questions, please leave a message at 847.377.8029 and we will return your call.
